So far my favorite is the cheesy bacon apple muffins - easy to make and oh so delicious. I even made bleu cheese scones - didn't know I could but they were ridiculously easy and so light and fluffy and bursting with flavor. The book was sold to me as used-like

new... truly is was brand new. I would definitely purchase from this vendor again. This book should be in everyone's bakers' library and given as a gift - you can't go wrong with this one! Thank you my friend for letting me borrow this book in the first place. 5 of 5 people found the following review helpful. Not As Awful As Some Say, Not as Great as You Might Hope By C. B. Manges There are certainly a lot of recipes here, but there is also a fair amount of repetition. It's an attractive book, and in that regard a beginning home baker might find it inspiring, if only as a means to see the many possibilities beyond the old "plain or blueberry" conundrum. We tried a few, and found none of the choices particularly marvelous (but hey, maybe it was the baker, not the recipe....nah!). It's a good place to start, that's the best I can say for it. Perhaps the author would have been better served trying not to come up with 1,001 recipes. That's a lot of muffins, and a lot of potential selections. It's almost overwhelming. There may be some really wonderful recipes in here, but I may never discover them in a life that allows time for home baking once in a good week. 0 of 0 people found the following review helpful. Five Stars By gabi Love it, you don't need any other bread book then this and the variety of muffins is unbelievable.

This book offers the largest collection available of sure-fire recipes for muffins and other popular comfort foods. Author Gregg Gillespie uses the same innovative format and easy-to-follow preparation notes that made the 1001 recipe series--led by the bestselling 1001 Cookie Recipes--so popular. Both expert and novice bakers will find a seemingly endless variety of quick-and-easy recipes guaranteed to delight the whole family and embellish the standard coffee break or meal with a taste of "home sweet home." Even consummate bakers can expand their repertoires, selecting from the many original treats not found in any other cookbook. The medley of nutty scones, luscious fruit cobblers, spicy quick breads and savory biscuits will have the whole neighborhood's mouths watering. All 1001 recipes are photographed in full-color so family chefs can look before they cook and select the perfect recipe for any occasion.

From the Back Cover Mouth-watering and delicious sweet and savory treats - the most complete book of ultimate comfort food ever compiled. These favorites will fill your kitchen with the buttery, home-made essences of just-baked muffins, biscuits, coffee, cakes, cobblers, doughnuts, pancakes, waffles, popovers, fritters, scones, and quick breads accompanied by sauces, syrups, and toppings. Recipes include: Apple-and-Date Muffins Banana-Chocolate Chip Muffins Blueberry Muffins Cranberry-Upside-Down Muffins Cherry Nut Bread Rich Banana Tea Bread Sweet Potato Bread Buttermilk Biscuits Onion Biscuits Blackberry Lemon Coffee Cake Cream Cheese Coffee Cake Chocolate Doughnuts Spicy Molasses Doughnuts Rhubarb-Strawberry Cobbler Apple Pecan Scones English Cream Scones Apple Flapjacks Chocolate Nut Pancakes Banana Waffles Dutch Cocoa Waffles Whipped Cream Topping Honey Glaze Creamy Raspberry Sauce Maple Butter Vanilla Cream Sauce Sesame Crunch Topping And 973 More...
