1 of 2 people found the following review helpful. 101 Best Ever CurriesBy JoI am a lover of Indian Food and always willing to try out new recipes. This book contains curry recipes I have not found in other cook books. Very good for the price. The book was received quickly and packaged nicely. I would buy from this seller again.

From hot and spicy to mild, creamy, and comforting, curry dishes encompass a huge variety of exciting meals. Though long lists of spices and unfamiliar ingredients often make curries seem like complex dishes, in fact creating a delicious curry is remarkably simple. Featuring classic curries made easy, delicious side dishes, and plenty of vegetarian ideas, these recipes are designed to allow even beginner chefs to make a home-cooked curry with complete confidence. Recipes include Spicy Pork and Aubergine Curry; Chickpea Curry Roll-Ups; Jerk Chicken Curry with Beans; Curried Corn and Coconut Soup; Creamy Egg Curry; Lamb, Coconut, and Mango Pilaf; Coriander Parathas; Green Apple Salad; Creamy Saffron Yogurt; and much more.
