Wendy Paul : 101 Gourmet Cookies for Everyone (101 Gourmet Cookbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Gourmet Cookies for Everyone (101 Gourmet Cookbooks):

0 of 1 people found the following review helpful. Five StarsBy CALooks great0 of 0 people found the following review helpful. Finally, different cookies!By sugarI really enjoyed the variety in this cookie cookbook. When the title says "cookies for everyone" they mean everyone. There are cookies for those watching their waistline, cookies for vegans, cookies for those that want a great traditional cookie, and some for those that just want to try something new. Granted, when you have to adjust a traditional cookie to accomodate those with dietary restrictions, the result may not be what you are used to..but those with dietary restrictions (and those that love them) will be pleased to have yummy cookie that they can enjoy! Variety is the spice of life! If you want more variety than Betty Crocker, then this is the book for you.1 of 1 people found the following review helpful. Easy recipes, delicious combinations.By hevanslightI found this book to be a really fun adventure through cookie making adding different combinations than I typically find in the average cookbook. I have had no issues with things not turning out as planned and they are as beautiful when I am finished as they look in the cookbook. I enjoy the layout of the book and find it easy to locate the recipe I am

looking for as well as come across the ingredients called for. I highly recommend this book. Yum!

Best-selling author Wendy Paul is back with a collection of fast, easy, and foolproof recipes sure to satisfy all your cookie cravings. Whether you're ignoring calories, watching your waistline, eating vegan, or looking for a gluten-free treat, you'll find a cookie for you in *101 Gourmet Cookies for Everyone* that not only looks great but tastes great too!
