A great cookbook By Gloria Morgan I love this book and was greatly disappointed when my copy disappeared. I purchased this copy to replace my old one. I have several recipes that I

make regularly out of this book and it is one of my favorite cook books. I love making all of the things out of a cake mix, brownies, muffins, cobblers and other desserts. 1 of 1 people found the following review helpful. Simply the best! By Leah I love this book! I also have her other one 101 things to do with a cake mix. My kids love to help me cook and bake so this is a simple way for them to help. I get compliments on the cookies I make all the time.
