It is colorful and the cover is very "girly" for my little lady. There are nice recipes to try. I have a ruffled apron to give to her with this cookbook. The chapter title pages are all the same artwork. There is scattered art throughout, but not a lot if you want tons of Mary's art. I find the layouts, colors and art to be perfect for this project. It might have been more fun to have each title page's art different! The book is

spiral bound. The sections are as follows: cakes, cheesecakes, pies, tarts, cobblers, crisps, cookies, bars, brownies, candies, fudge, breakfast sweets, breads, ice creams, puddings, miscellaneous. This is a sweet cookbook that is perfect for Mary Engelbreit fans! 1 of 1 people found the following review helpful. Another "Breit" Idea!
