Breakdown of Baked vs Fried By Anne HI was looking for a baked donut book, and this one seemed to be one of the most highly rated ones with baked donuts in the title. Going off another reviewer that was unhappy because "much of it is baked donuts" I decided to purchase this one. But out of 150 recipes, only ~40 or so baked and 110 are fried. They do look interesting, so I'll probably keep it for myself for just those ones, but as a primary source of baked donuts perhaps look elsewhere. 1 of 1 people found the following

review helpful. Great Baked Donut RecipesBy debs11I was looking for a donut recipe book that actually had a good amount of baked donut recipes that I wanted to bake. This is the only one I came across but I am NOT disappointed at all. Great recipes and so far the 2 baked were hits and gone within the morning time.1 of 1 people found the following review helpful. I READ OVER THE WHOLE BOOK AND THE RECIPES ARE PRETTY AMAZING! WHO WOULDN'T LOVE ITBy Sarah Wurm RossiLOOKING FORWARD TO THE FIRST BATCH OF DONUTS! I READ OVER THE WHOLE BOOK AND THE RECIPES ARE PRETTYAMAZING! WHO WOULDN'T LOVE IT? THANK YOU.....SARAH ROSSI

This collection of delectable recipes features a wide variety of choices. Topped with an irresistible chocolate glaze or simply rolled in cinnamon, fresh homemade donuts are impossible to resist. Whatever your preference -- the fluffy yeast style or the decadently dense cake variety -- donuts are fun and surprisingly easy to make at home. You know you're using quality ingredients when you make your own donuts, and the freshness certainly can't be beat! With 150 luscious recipes to choose from, this collection offers raised, baked, cake-based, holiday, specialty and one-bite donuts, as well as toppings, icings, sugars and fresh fillings. And the special "Making Donuts, Step-by-Step" section, with detailed photography and instructions, will appeal to novice and experienced bakers alike. Where to begin when all the recipes are so incredibly tempting? You could start the week by baking Perfect Chocolate-Glazed Donuts, then try Mandarin Orange Donuts for your book club meeting and make one-bite donuts, like Strawberry Cream Bites, for the little ones or for afternoon tea. But don't stop there when there are so many other options to explore! 20,000 copies in print.
