Jenny Lo : 150 Recipes from the Teahouse before purchasing it in order to gage whether or not it would be worth my time, and all praised 150 Recipes from the Teahouse:

0 of 0 people found the following review helpful. Intriguing and rich cookbook.By Tim HatchBy the two daughters of famous restaurateur and cookbook author Kenneth Lo. This book is mostly vegetarian with descriptions of different foods in different parts of China. Also intriguingly offers an introduction to the Traditional Chinese Medicine view of

food.

A collection of 150 Chinese recipes from daughters of the late Kenneth Lo, the restaurateur and food writer. The book includes not only examples of home cooking and street food from Beijing, Sechuan and the south of China, but also glimpses of how life in China revolves around its teahouses.
