1 of 1 people found the following review helpful. Eh, it's okBy oh-kyaeI was excited to get the book, but when I went through it, I only liked about 4 recipes. I guess it's good for others if they like to cook and love food, and are not picky like me. But it's a good start if you want to know some Chinese recipes.

This fantastic collection of more than 175 deliciously simple recipes is perfect for today's busy lifestyle. Featuring a superb collection of dishes, it shows you how to whip up tasty Chinese meals in minutes
