found the following review helpful. An OK Cookbook But Didn't Appeal To Me PersonallyBy GeraldineI was really looking forward to getting this book but it was rather a disappointment overall.Pluses: Lots of photos of the completed dishes and a variety of dishes to choose from.Cons: I couldn't find one recipe that REALLY appealed to me in this collection.I love Indian food and as a long-time vegetarian, I'm always on the lookout for vegetarian Indian recipes that sound good.If I can find 4-5 recipes in ANY cookbook that I'd like to make, I consider it money well spent. In this case, that didn't happen. Returning for a refund.0 of 1 people found the following review helpful. Five StarsBy Rhonda L. TeagueOOOH so tasty a resource cookbook. well packaged.
