Its fun to go out and buy the beer that is featured each month. It has opened my eyes to new products and some of them I love. I would recommend this calendar to anyone who has an interest in beers. Its also a great quality.0 of 0 people found the following review helpful. Beer is more than a beverage - it's an artisan craft both inside and outside the bottle! In this 2017 calendar, with a 4-month bonus spread, you'll have thought provoking, catchy, eloquent and imaginative, beer labels of America that will make an art gallery in your own fridge! Printed on matte paper, all calendar pages are printed on FSC certified paper with environmentally safe inks.
