I have been a fan of Esther Brody for many years By Potluck Queen I love Esther Brody's books. Nicely laid out. Measurements are in American, British Australian. Directions are easy to understand. Very few photos, probably around 16. If you are thinking of buying this book I would recommend purchasing "1500 Best Bars, Cookies, Cakes, Muffins More" which is a compilation of all of her cookbooks and costs the same or less as this one cookbook. If you want to know if this book is for you, go to your local library. If they don't have a copy there is always

the option of the Inter-Library Loan procedure (books usually take about 3 weeks to arrive). I almost always preview books from the library before purchasing ... it has saved a lot of disappointment1 of 4 people found the following review helpful. cakes and piesBy Bookahalic 1950this is just what i was looking for. am looking forward to doing a lot of baking!!!!
