But this book was free and provide some great recipes.0 of 0 people found the following review helpful. Really easy recipesBy leonieAt first I thought that these were just too easy, but then I realized that I probably wouldn't come up with these combinations on my own. I like that at the end of each recipe you are given suggestions on why those ingredients are good for you. Love the cherry drink. So far I haven't tried any of the others but most of them sound good.0 of 0 people found the following review helpful. JuicingBy Candyawesome recipes and taste really good. I am just starting so not sure how better I feel but I do have a bit more energy
