Doughnuts that sound really good By debkd Doughnuts are definitely one of my weaknesses, so I couldn't pass up this book offered free on Kindle Buffet. Even better, all the recipes sound easy to make as stated. There is a nice variety of recipes including many well known favorites. I plan to make the baked one, chocolate, and pumpkin ones for sure. 0 of 0 people found the following review helpful. It's ok By Rachel Adams I gave this rating due to the use of the doughnut pan being required for all the bakes ones. What ever happened to cutting them out by hand. I do have the doughnut pan and can tell you they do not rise or bake like in the pictures. Good starter book for making doughnuts.
