**Lori Burke : 30 Delicious Icebox Cookie Recipes** before purchasing it in order to gage whether or not it would be worth my time, and all praised 30 Delicious Icebox Cookie Recipes:

0 of 0 people found the following review helpful. ice box cookies, no nutr info, no picsBy Jbarr530 Delicious No-Bake Icebox Cookie Recipes by Lori BurkeStarts with an intro about how she was taught to make cookies from her relatives and what ice box cookies are.Tips about freezing dough is included.Each recipe has a title, servings. List of ingredients and you might be able to substitute for a healthier option due to your dietary needs.Directions on how to make and freeze. Also sections on how to prepare for the oven to bake.No nutritional information and no pictures.Like the idea that I can mix it, a 5 dozen supply and store in the freezer for several months. It's a lot of butter though so I'd use it for

just special occasions where we'd not be eating any ourselves. Oatmeal coconut would be my choice as it makes 5 1/2 dozen and I like those two flavors. Other works by the author are highlighted at the end. 14 of 14 people found the following review helpful. What Great Cookie Recipes By Marg Ruttan When I was a kid my Mom made tons of icebox cookies...and she didn't have a refrigerator! She would make them in the late fall through to early spring when she could cool the dough in our dairy (the place where milk got separated and food got stored). Once chilled, she'd bring the dough into the kitchen, slice it up and bake yummy cookies. My favorite was Cherry Icebox Cookies and she made me lots of them, especially around Christmas time. When I grew up and began cooking myself, I often made Icebox Cookies of one sort or another. They are easy to make, bake and freeze well and are really delicious. I had never heard of either the Cinnamon Sugar or Lemon Pecan recipes before but they both appeal to me and I'll definitely be trying them in the next few days. I love to bake so it will be fun to try these two new recipes and my husband will love having the cookies around. This is a great book with wonderful recipes. Another winner for Lori! Marg Ruttan International Best Selling Cookbook Author 17 of 17 people found the following review helpful. Another great book in the author's dessert cookbooks! By Larina Bowers I have been a fan of the author since I picked up her icebox cake cook...amazing! This book is no different and has some great recipes. My favorites are the cherry cookies, and the lemon cranberry ones. My wife loves the black and tan cookies as they remind her of childhood back in New Jersey. What I also appreciate is advice on which cookie dough's work well in the freezer and which ones won't work. Saves me a lot of hassle so I don't have to learn through the school of hard knocks. Pickup this book today if you love cookies.

Make tasty, mouth-watering icebox cookies that you can either bake right away or store in your freezer for your next cookie craving.
