And yes, your meal will look like the photos. Delicous meals, really!!! I wish all cookbooks were this beautiful and simple.0 of 0 people found the following review helpful. Truly 30 minute meals!By Maricela HernandezI used this book to cook for a whole week and can tell you that recipes are truly 30 minutes! They are also pretty easy to make and they are delicious! I am insipred to find other 30 minute

books. It feels great to be able to put something on the table every night after work that is healthy, tasty and fast.
