Roger Protz : 300 Beers to Try Before You Die! before purchasing it in order to gage whether or not it would be worth my time, and all praised 300 Beers to Try Before You Die!:

0 of 0 people found the following review helpful. Decent list, well organized By Lake Gal Christmas gift for my husband - seems to like it, but enjoyed another book I got him much better called "The BEER Bible". 0 of 0 people found the following review helpful. It wasn't what I expected, but if you are ... By Cliff Pugh It wasn't what I expected, but if you are looking for info about many beers around the world - this is it! 0 of 0 people found the following review helpful. Husband loves it! By MomOfTwo My husband loves this gift. We found quite a few beers from the list on a trip to a few local liquor stores. Each page is dedicated to one of the 300 beers with a picture of it and a place to write reviews and grade it. Back of the book has two checklists, one with beer listed by country of origin and the other with

beer listed by maker.

From Belgian fruit beers to hoppy cask ales, small-production microbrews to Czech Republic lagers, this is a personal and comprehensive portfolio of international beers compiled by one of the world's leading beer writers. In this unique and beautifully illustrated collection, he has distilled decades of beer knowledge into an entertaining and indispensable guide to the ales that no beer lover should miss. The book divides beers by type, including bitters, best bitters, pilsners, brown and mild ales, pale ales, extra strong beers and bitters, old ales and barley wines, golden ales, porters and stouts, alt and amber ales, fruit beers, and beires de garde, each comprising an alphabetical listing of the beers. Many of the entries are fully illustrated, and each beer comes complete with a box panel for adding your own tasting notes. Information on the country of origin, beer strength, brewery, and a detailed description of the beer and its history are also given.

"Both experts and those new to beer will find something helpful."nbsp; mdash;Imbibe Magazine
