From the Back Cover 300 Years of Beer is a look back at Manitoba's long and colourful brewing past. With over 400 illustrations of rare beer labels, retro bottles and ads dating back as far as the 1870s 300 Years of Beer chronicles the bygone days when beer barons like Patrick Shea and E.L. Drewry ruled over an industry to the modern day microbrewer and explores the events that shaped the drinking habits of Manitobans. About the Author Bill Wright and Dave Craig are beer geeks who have pursued their delicious hobby as soon as they became aware of beers, bottles, and brewing. They live in Winnipeg.
