Amahl Turczyn Scheppach : 365 Bottles of Beer 2011 Page-A-Day Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised 365 Bottles of Beer 2011 Page-A-Day Calendar:

0 of 0 people found the following review helpful. Full of info. and entertainment By LLI get the Beer Calendar every year for my Dad, who religiously pulls a page off daily and revels in the ale-related wisdom it has to offer. I'm not a beer connoisseur but my dad is and he loves reading the details of all the niche beers. They describe the taste of the beer really nicely and offer interesting and fun tid-bits and info. about the place where it's brewed. He's later tried many of the beers he read about in the calendar. There are some pictures, too (in black white). Highly recommended for true beer lovers! 0 of 0 people found the following review helpful. Right On Time By Michael Reese If you like beer, then this is a great little novelty calendar-even if one day shows a beer you wouldn't necessarily go for, the next day or the weekend double might inform you of one or two you would - now, the only problem is getting your hands on 'em!

Raise a glass; a cold, frosty glass; every day. 365 Bottles of Beer is packed with hundreds of deliciously quaffable recommendations. Among them are Wizard's Winter Ale, full-flavored with a touch of butterscotch character and a good dose of hops. Pig Iron Porter, intensely fruity with notes of cocoa (a great pairing with vanilla ice cream). In the heat of summer, nothing goes down better than Moto Belgian Style Wit, with its sumptuous head and expressive spice and citrus flavors. Plus crisp lagers, fruity lambics, bold IPAs, aromatic white ales, rich stouts, beer facts, trivia,

and more. For beer lovers, it's a year of great drinking.

About the AuthorWorkman Publishing Company has been producing award-winning calendars, cookbooks, parenting guides, and children's titles, as well as gardening, humor, self-help, and business books, since 1968.
