**Adams Media : 365 Days of Beer 2014 Daily Calendar** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 365 Days of Beer 2014 Daily Calendar:

Top part of the calendar, where all the pages are glued together, have perforated pages so that the glued section could be torn off to keep it compact and balanced. 0 of 0 people found the following review helpful. A lot of the same info as last year. By JCMy husband loved this last year so I got it for him again this year. He is very disappointed that there is a bunch of the exact same info as last year. He is not impressed. How boring. He'd rather have the other beer calendar. 0 of 0 people found the following review helpful. Great Calendar! By Jeanette Aday Loved it, perfect gift for a beer lover, has fun fun and interesting facts about beer. Will definitely purchase it again next year

Finally--a calendar that can satisfy your thirst for beer throughout the entire year! Spilling over with all new beer and brewery recommendations, trivia, and fun quotations, you'll know just what to say when pounding a pint in a pub, across the table from the guys, or under the table. You can also consider this an excuse to laugh and belch all year long (as if you needed one). But what's important is that this calendar is all about that most inspired of human inventions: beer. So don't wait for happy hour or the weekend to enjoy a cold one--celebrate your love for a great brew every day of the year.
