I love the idea of a calendar that features the most incredible and fabulous looking cakes that are also delicious. I have been to Lulu's in Scarsdale, New York. Lulu's is among the bakeries that are featured in this book. Lulu's cakes are as yummy as they are beautiful. For people interested in great bakeries, this calendar might help inspire people who buy it, to start planning their next vacations to visit and sample their exceptional desserts. I just ordered 4 of the calendars to share with friends who live too far away to get to Lulus and the other bakeries featured in this book. And that way they can enjoy the 365 Days of Extreme Cakes, without inhaling the calories! This is a great gift and the photographs are fantastic.

I got this calendar for inspiration, I am a baker but not into the crazy intricate cakes like this so I thought it might push me to create! I love looking at the pictures and what others have done. Having this calendar around is great for if someone requests a special kind of cake and I need ideas.

This is my first Cakes calendar and I know it's only January 1, but I love this thing. Each month has a

beautiful and creative cake that was invented for each day of the month. I love the colors and thought put into it. Already very happy with this purchase!

The subject of an entire genre of TV reality shows, including Cake Boss, Next Great Baker, Ace of Cakes, and Ultimate Cake Off, extreme cakes take the baker's art to soaring new heights of imagination and skill. They are sculptural masterpieces of sugar and fondant—fanciful, breathtakingly detailed, and visually captivating. 365 Days of Extreme Cakes is the ultimate sugar rush for bakers and foodies, offering hundreds of magnificent cakes from the most preeminent designers in the business. Each vibrantly colored spread is themed—Jet-Setting Cakes (for travel buffs), Wedding Cakes, Holiday Cakes—with one large image at the top of the page and dozens of smaller pictures in the grid below. It's the calendar that lets you have your cake (and what a cake!) every day.
