New recipes, great selections!By T MitchellI am a passionate cook and cannot wait to try the recipes in this book, I own almost all of the books in the 365 series and have enjoyed dozens of the recipes so far, of course I tweak them and make them my own and add my own culinary twists to them but for a guideline of how to make stir fry's or such things, Go for it!

A collection of 365 recipes for meals made in the wok features international dishes made with American ingredients, including Garlicky Salsa Chicken, Sticky Spareribs, and Scaloppine with Mushrooms. \$30,000 ad/promo.
