Linda Amendt : 400 Sensational Cookies before purchasing it in order to gage whether or not it would be worth my time, and all praised 400 Sensational Cookies:

1 of 1 people found the following review helpful. Look no more!!!By Sue Q. WhiteI love to make cookies throughout the year, weather it is for the holidays, birthdays, special occasions or just 'cause I want. I use to find myself looking through old recipes, searching through different cookbooks or going on-line. It became very frustrating trying out new recipes that did'nt work or did not 'come out' how I wanted. Well "Look No More" is what I call '400 Sensational Cookies'. It is filled with almost every kind of cookie you could ever want! It has easy to follow instructions and is filled with 'Tips' and 'Pointers'. I also love the section on 'Ingredients'!!! If you ever had a question about what an

ingredient does and why this book will explain it. Thanks for coming out with such a GREAT cookie cookbook!!!! I won't have to LOOK ANY MORE!!!! 6 of 7 people found the following review helpful. IF YOU BUY ONE COOKIE BOOK, GET THIS ONE! By cThis is the BEST cookie book on the market. Linda Amendt is a primo cookbook writer, and I sincerely wish all cookbooks were written as well as hers. She is typically thorough, comprehensive, knowledgeable, but also very easy to understand and read. This book includes a great clear discussion of cookie baking equipment, ingredients (yes, there are lots of different kinds of sugar which have different results), do's and don'ts, problems and how to fix them, which cookies ship well, and even how to win cookie baking contests. All the recipes are easy to follow, clear -- and they all sound delicious. There are whole chapters on brownies, chocolate chip cookies, dream cookies, bar cookies, and more. Some are old favorites, some are interesting variations of old favorites, some are utterly exotic adventures, and some are just -- "OOOOOH, that sounds so GOOD". My favorites so far are German Chocolate Brownies, Orange Marmalade Cookies, White Chocolate Chip Cookies (with macadamia nuts and almond extract!), Banana Rum Oatmeal Cookies, Butterscotch Dreams, and Favorite Sugar Cookies. But there's a lot more to go, and my family and friends will be feasting throughout the holiday season, and well into the coming year. Some of the other cookie books on the market are pretentious coffee-table books (does a cookie really have to be a confection that looks like a sculpture?), slapdash (you wonder if anyone actually baked these cookies), or just plain ordinary. 400 Sensational Cookies escapes all those cookbook traps, and is a solid, practical book -- one everyone will actually USE, not put on the shelf to gather dust. I can foresee where my copy will be dog-eared with use, and I might have to buy another copy in a couple years. I'm buying this book for all my cookie baking friends for Christmas. It's the Best! 1 of 1 people found the following review helpful. The Title Says It All By Jean E. Fritz I enjoy trying new recipes, so when I stumbled across this book in the library I was intrigued. After trying half a dozen of the recipes with exceptional results, I was hooked - and had to buy a copy for myself. The title says it all - the cookies range from simple to fancy, and they all use very basic ingredients that you can find at most grocery stores. There are a number of brownie variations, as well as drop, rolled and bar cookies that are unique and tasty. Finally, the book offers tips for successful baking, so even novice cooks will be able to get great results using these recipes. All in all, 400 Sensational Cookies is an excellent investment for anyone who loves home baked cookies.

Award-winning author Linda J. Amendt shares her exceptional recipes and inspiration for baking great cookies for all those special occasions and as everyday treats. Nothing beats the enticing aroma of freshly baked cookies still warm from the oven. Cookies are the ultimate comfort food and they are a welcome treat any time of the year. These tasty little morsels are terrific any day of the year and perfect for thoughtful gifts, holidays, bake sales and cookie swaps. Clear, concise instructions make these recipes easy to follow and yield excellent results. The 400 tantalizing recipes include: White Chocolate Coconut Cookies

400 Sensational Cookies by Linda J. Amendt is one of those rare books whose title is totally accurate. The recipes are sensational as are the cookies created by the recipes. --1800blogger.com "400 Sensational Cookies belongs in any home where good cookies are treasured. If you can't find at least two or three dozen cookies you'll come to love then you don't like cookies." --A Thin Red Line This marvelous cookbook has proved to be a guarded addition to my kitchen...magically delicious, and totally wonderful, all rolled into one. The more I make from this book, the more I trust it impeccably. --Amanda Formaro, Amanda's Cookin' 400 Sensational Cookies provides clear instructions and tried and true expertise.
