**Annie Rigg : 50 Birthday Cakes for Kids: quick, creative and achievable cakes** before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Birthday Cakes for Kids: quick, creative and achievable cakes:

2 of 2 people found the following review helpful. This book makes me look talented.By mama cI love this book! I have made the dinosaur, sheep and car so far. Everyone has been impressed with my skills, but it is actually the book, it makes it so easy that even someone with no experience (like me) can make them. I also like it because the cake and frosting is homemade too, no box mixes. Although in a pinch you could use a mix. On the dinosaur I ended up using more frosting than the book said, not sure why. So this is the run down on the book: it tells you how to cut cakes into shapes and then piece them together to make your creation. They provide a several cake and frosting recipes. Candy is used in most of the cakes to accent or make different parts of the design.0 of 0 people found the following review helpful. Waste of moneyBy nature loverThe recipes DO NOT work! There are ingredient misprints, and some recipes are just inedible. The decorating ideas are good, but I had to use my usual cake recipes, not those in the book. Not worth the money.1 of 1 people found the following review helpful. Some good ideasBy Debbie in SeattleThere are some good decorating ideas in this book, but I did not realize when I purchased it that it uses British ingredients and supplies.

Creative and achievable cakes for kids, from owls and rabbits, to fire engines, dinosaurs and daisies, plus helpful cake-making techniques. The magical moment when the birthday cake arrives is always the highlight of a child's birthday party. And it's every parent's wish to bake the cake of their child's dreams, but all too often there isn't enough time or a lack of inspiration. Cake queen Annie Rigg takes the fear out of baking fabulous cakes for kids in this collection of more than 50 foolproof recipes. There are ideas for both the novice cook and the skilled baker, and of course, the most demanding birthday girl or boy! There's no need for fancy kitchen equipment or baking skills as most of the cakes use one master recipe that can be made in different quantities and cake pans. The ingredients and decorations can all be bought from a supermarket or candy store. The six chapters include The Basics: cake mixes and frostings that are used throughout the book, plus helpful decorating ideas and tips on how to assemble the cakes. The Simple Cakes chapter covers recipes that are just that: yummy cakes such as Banana Toffee Cake, Fantastic Chocolate Cake and Princess Cupcakes. Animals has recipes for a Teddy Bear, a Jolly Green Dinosaur and a Prickly Hedgehog complete with minty spikes. Transport covers Tractors to Rocket Ships via Fire Engines. The Fantasy chapter has a selection of cakes that are perfect for imaginative themed parties, with options like a Pirate's Treasure Chest and a Wizard's Hat. Wildlife has an outdoor theme with treats that might appeal to the younger child like a Curly Caterpillar and a Buzzing Beehive. There's something for every age, from a child's first birthday to toddlers, teens and even the big kid in all of us — and every cake is guaranteed to bring whoops of joy at any birthday celebration.

About the Author Annie Rigg has been baking cakes since she was old enough to hold a whisk. Thanks to a small tribe of godchildren, she regularly makes birthday cakes for kids. She has been a freelance food stylist and writer for many years and has worked on numerous books and bestselling magazines. In another life she cooked for a number of world-famous acts on tour, such as Tom Jones, Paul McCartney, Pink Floyd and The Rolling Stones. For Ryland Peters Small she has written 'Make, Bake Celebrate!', 'Macarons', 'Fabulous Brownies', 'Decorated Gingerbread', 'Decorating Cakes Cookies', 'Holiday Cupcakes' and 'Christmas Cooking with Kids'.
