Love the way it's organizedBy A ChinThe book has more recipes than you'll probably ever try, but it's all in color with pictures of every drink and is organized by main type of alcohol so it's easy to find what you're in the mood for. Better than any of the other books I've seen on the topic.0 of 0 people found the following review helpful. Everyone must own!By Crisa LeeWether your a pro at the perfect party, or just like a simple nights with friends, this book is a must have! Need to intertain the big boss with a dinner party, hire a friend to mix up these awesome cocktails! The best part are all the photos!! So you can never go wrong!0 of 0 people found the following review helpful. Great!!!By Sheila CausleyMy sister in law had this book, so I knew when I ordered how great the variety of cocktails it had.Love to make something new for my friends!!!!

Cocktails are stylish and sophisticated, and turn any party into a special event. 501 Must-Drink Cocktails contains a vast range of cocktails to suit any occasion, from a summer lunch party out of doors to pre-Christmas drinks. Classics like Martinis, slings and daiquiris sit alongside sophisticated Champagne cocktails, colorful shots, cooling fizzes, sours and punches and non-alcoholic drinks. The drinks are arranged by their main ingredient and a Bar Basics section offers advice on must-have equipment and cocktail-making techniques. Whether you are throwing a special celebration, arranging pre-dinner drinks or simply spending time with friends, in 501 Must-Drink Cocktails you will

find just the cocktail you need.
