Dan Woodske : A Brewers Guide to Opening and Operating a Brewpub before purchasing it in order to gage whether or not it would be worth my time, and all praised A Brewers Guide to Opening and Operating a Brewpub:

0 of 0 people found the following review helpful. A really good read for budding brewersBy Eric W. WoelkerThis is a quick read. It's well thought out and logical in terms of what, when, how, and why. I especially liked the fact that it assigned homework, which doesn't take long at all, but will force you to actually put your thoughts together and

formulate a plan, instead of just leaving it stored upstairs, never to come to fruition. Thanks for the read! Hopefully I'll stop in the brewpub one of these days if I make it out that way. Nice work. 0 of 0 people found the following review helpful. Concise By Kindle Customer Well written overview that answers a thousand unasked question's. Highly recommended to anyone kicking around the idea of venturing into this line of work. 2 of 2 people found the following review helpful. Dan knows his stuff! By hiA real life book of advice from someone who's actually done it. Step by step guidance through the whole process. Already referred back to it a multitude of times. Thanks Dan.... Great work!

Craft beer is literally exploding across America and you want a piece of the action. Quite honestly, who wouldn't? Sit in an office all day or hang out in a brewery? Not a tough choice. It also is a business that you can grow exponentially if you do it right. This book guides you through the process from beginning to end by someone THAT HAS ACTUALLY DONE IT HIMSELF. Dan Woodske didn't go to brewschool, nor did he work at a brewery before he opened the Beaver Brewing Company. Now he owns and brews at a successful brewpub. Being the headbrewer and owner he has worked on every aspect of the brewpub business. He shares his experiences and takes you through the development stages, licensing, choosing equipment, hiring staff, and everything else you will need to open your own successful brewpub.
