**DK : A Little Course in Baking** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Little Course in Baking:

This title takes you from complete beginner to being able to bake over 65 delicious recipes. Start simple with easy-mix cookies, non-pastry tarts and quick breads, build on your skills with simple layered cakes and quiches and show off with roulades and macarons. The step-by-step pictures show you what other courses only tell you and the practice recipes keep you on the right track.
