Steven Stellingwerf : A Little Muffin Cookbook (Perfectly Simple) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Little Muffin Cookbook (Perfectly Simple):

10 of 10 people found the following review helpful. Awesome little Muffin BookBy Dale L. CundyThis little book is packed with delicious, easy to bake muffin recipes. What I really like is that the muffins are made with simple ingredients,most of which anyone who bakes might have on hand. I have often given this book as a gift, in a basket with a muffin tin and pretty liners,etc.. :)

Slow mornings around the family table; baskets of warm, fragrant bites to be covered with butter, honey, or jam; the

wonderful smell of baking lingering in the kitchen—freshly baked muffins bring to mind any number of comforting thoughts. These delightful recipes incorporate fresh produce to evoke each season, from Blueberry Muffins in the spring and Strawberry Bran Muffins in the summer to Sweet Potato Muffins in the fall and Maple Muffins in the winter. These quick, original, and versatile recipes demonstrate just how simple muffins are to prepare and how they can be served with virtually any meal.
