**Marcy Goldman : A Passion for Baking: Bake to Nourish, Bake to Celebrate, Bake for Love** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Passion for Baking: Bake to Nourish, Bake to Celebrate, Bake for Love:

1 of 1 people found the following review helpful. Hurray for MarcyBy L. M. StanleyI've been a follower of Marcy's for over 20 years. I started with Detroit Free Press Food Page clippings. I have never had a failure from her recipes.She pretests, more then once, her recipes in print.I highly recommend her cookbooks. I am a long time Jewish baker teacher.Pictured is her Chocolate Honey Cake.5 of 5 people found the following review helpful. Best of the BestBy Tracy D. SlinkerI saw this book on line, so I went checked out in the book store. I spent over an hour going through it. I just fell in love with it, the author goes into such great detail on everything. And the receipts are

wonderful, they're are so many of them to choose from. So I bought the book on . I got the book yesterday, and I couldn't wait to try it out. Less than a hour of getting it, I was in the kitchen baking the Marble Cream Cheese Muffins. They are devine, they are so full of flavor so very rich. My roommates were in heaven when they were eating them. The author takes a no nonsense take on baking. She's a pro, but she wants to make it fun easy for everyone. I'd always been afraid to try to bake bread. But with this, I tried it, and the breads that I've baked have come out perfect every time. The 2511 rolls are wonderful. I use them to make Cinnamon Pull aparts aswell as just plain rolls. Some of the best I've ever had. And her recipe for Classic Southern Buttermilk Biscuits are the best I've ever made. I'm from the south, I dispaired of ever being able to make a truly good biscuit. They came out so light flakey just plain good. I mean just every recipe that I've made have come out even better than I'd hoped for. This is my go to book, I have over 260 cook books. And I mean this, if the house was on fire. This book would be one of things that I'd grab before I left the burning building. I know that sounds crazy, but if you get this book. And you use it, you'll know what I mean. From now on, anything that Marcy writes. I'll buy be happy to buy it. All I can say is Thank you very much for writing this cook book. You've got a fan for life. I have had a passion for baking for a very long time. But Marcy, God Bless you. You have given me a even greater Passion for Baking. 0 of 0 people found the following review helpful. The honey cake recipe alone is worth the price By The Brooks Stead There are so many excellent recipes in this book, but the one she's most known for is her honey cake. I made it a few days ago and it still tastes as fresh as day one - better, actually, as the flavors have mellowed. This one recipe is worth the price of the book, but if you love baking, you will find the entire book full of recipes you'll want to try. I'm not Jewish, myself, but I've long admired Jewish baking. I love challah for french toast, rugelach, bagels, and so many other scrumptious breads and pastries. I finally decided to buy this book after having it on my wish list for a long, long time. It is truly a treasury of recipes.

Over 220 of BetterBaking.com Master Baker's, Marcy Goldman's recipes! About the Author HI, aside from my cookbooks, you can visit me at my website, Betterbaking, an online baking and lifestyle magazine I launched in 1997. That's where you'll find more of my original recipes as well as features, book and product reviews and I answer your questions on baking. You can also follow me on Twitter to get my free bonus Twitter Recipe of the Week. Check out my cake blurbs (along with other fine baking colleagues) at the New York Times Cake Blog, or you can hear me on Martha Stewart Sirius, often on the holidays (whatever time of year it is) taking - what else? baking! My cookbooks include The 10th Anniversary Edition of A Treasury of Jewish Holiday Baking (Whitecap Books, 2009) and The New Best of BetterBaking.Com (Whitecap Books 2009), A Passion for Baking, (Oxmoor House, 2007) and the coming The Baker's Four Seasons with Harper Collins (2011).
