Martin Yan : A Simple Guide to Chinese Ingredients and Other Asian Specialties before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Simple Guide to Chinese Ingredients and Other Asian Specialties:

2 of 2 people found the following review helpful. Wouldn't go shopping without it! By J. Callen Though this is probably one of his smallest/briefest works, this little guide to Chinese ingredients is indispensable when shopping for the ingredients for Chinese recipes. Wouldn't go shopping without it (though you might look a little like a tourist in an oriental grocery store carrying it with you; though 6'1" blonde kinda stands out anyway!). 1 of 1 people found the following review helpful. it arrived sooner than expected and i am quite satisfied with both the purchase and the book By toney1 this book met all my expectations, martin yan is quite thorough listing ingredients which i am unfamiliar with but serve to enhance a dishes' authenticity. it arrived sooner than expected and i am quite satisfied with both the purchase and the book. 0 of 0 people found the following review helpful. Glad I bought it. By shootmenow Good, concise info. Most helpful.
