book is a good recipe book for brews and meads from ~1600 onwards. 0 of 0 people found the following review helpful. Five Stars
By K. Smith
The definitive guide for someone who wants to follow historical methods of brewing.

A Sip Through Time, A Collection of Old Brewing Recipes contains, in a single illustrated volume, over 400 documented historic recipes for ale, beer, mead, metheglin, cider, perry, hypocras, wines, etc., dating from 1800 B.C. to modern times.

From Scientific American
I highly recommend it for the experienced brewer/vintner/mead-maker...
From The New Yorker
This is a fun -- and entertaining reference tool that readers will turn to again and again. A great gift for yourself or a friend. If you are a maker of any of these brews, this book should be in your library. And if you're not, you will be after reading it. -- Bee Culture
