Roland Mesnier : A Sweet World of White House Desserts: From Blown-Sugar Baskets to Gingerbread Houses, a Pastry Chef Remembers before purchasing it in order to gage whether or not it would be worth my time, and all praised A Sweet World of White House Desserts: From Blown-Sugar Baskets to Gingerbread Houses, a Pastry Chef Remembers:

0 of 0 people found the following review helpful. NOT A COOKBOOKBy MeaganDefinitely not what I was suspecting. I thought I was purchasing a cookbook with actual recipes opposed to just menus of particular events. Disappointing overall but if that's what you want, it has nice presentation.1 of 1 people found the following review helpful. Well written history including beautiful food presented in quantities the average homemaker can enjoy preparing.By JTWThis well written book is like a history book. What fun to learn about the presidents and their family

traditions. The menus including the recipes are awesome. I am pleased that recipes are "home sized" and look very challenging and delicious. 8 of 9 people found the following review helpful. **Whoever Thought Of A Cookbook Without Recipes?** By John Ellis The title tells my perspective. If you only like pictures and no recipes, you will love this book! We may eat with our eyes, but with this book you will not be making anything you see in the book because there are no recipes. Lets face it. Anyone buying a cookbook wants to have recipes to make what they see. Well, there you have it!

In this memoir, Roland Mesnier, pastry chef to five presidents, recalls the stunning desserts he created for White House State Dinners, formal events, and family celebrations.
