Linda Majzlik : A Vegan Taste of Thailand (Vegan Cookbooks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Vegan Taste of Thailand (Vegan Cookbooks):

This collection of cookbooks interprets the savory flavors of international cuisines for the animal-free, vegan diet. Each region's most famed dishes are detailed or redesigned to be meat- and dairy-free. With recipes for

appetizers, breads, salads, main courses, desserts, and drinks, each cookbook covers the entire culinary palate. Connoisseurs of Thai cuisine, an amalgam of influences from China, India, and Portugal, can create mouth-watering dishes indigenous to that region with these easy-to-prepare recipes. Beansprout and Lettuce Soup; Tofu and Tamarind Dip; Carrot, Ginger, and Sesame Fried Rice; and Curried Aubergine with Tofu are among the recipes in this cookbook that feature authentic Thai ingredients and spices.
