**Ben Gibson, Patrick Mulligan : A Visual Guide to Drink** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Visual Guide to Drink:

3 of 3 people found the following review helpful. and in perfect condition. It's actually so beautiful I'm tempted to ...By Ellen JensenOrdered it for a Christmas present, arrived ahead of time, and in perfect condition. It's actually so beautiful I'm tempted to keep it for myself, because I'm a horrible person and this book is amazing.0 of 0 people found the following review helpful. Good book fro micro brew lovers!By R. bouchardI'm always at a loss when it comes to getting my brother in law s christmas gift. This year i lucked out because i saw a review of this book in a local newspaper saying they were supised but liked this book. They said for micro brew lovers that it could be a god gift .....and it was! My brother in law called me thanking me for the books He loves all the charts and diagrams And all the facts and info in the book. He said that his future son in law was there and found it interesting too.0 of 0 people found the following review helpful. FUN!!By CustomerLove the pop chart lab, perfect coffee table book!

From the meticulous minds at Pop Chart Lab comes an imbibersquo;s delight: a comprehensive infographic investigation into the world of beer, wine, and spirits. Containing everything from the many varieties of beer and the vessels from which to drink them, to cocktails of choice in film and literature, A Visual Guide to Drink maps, graphs,

and charts the history, geography, and culture of the world's very favorite pastime. The domestic beer-drinking novice and whisk(e)y aficionado alike will relish this perfectly practical primer awash in essentials like charted cocktail recipes, a breakdown of brewing processes, and extensive maps of the world's wine region in Pop Chart Lab's trademark clean and elegant design. The definitive guide to informative imbibing, *A Visual Guide to Drink* is a fun, functional, and beautiful concoction of data and design that is sure to inspire delight in readers (and drinkers) everywhere.

Pop Chart Lab is a Brooklyn-based design company that specializes in turning nerdily encyclopedic pop-cultural knowledge into gorgeous, richly detailed infographics. Esquire, The poster mavens, New York Times, Clever minds, WIRED, Design geniuses, Epicurious. Once you see Pop Chart Lab's lineup of brilliant posters, we promise you'll have a hard time picking just one print. Glamour, We can count the list of things we don't like from Pop Chart Lab with a closed fist. The people at Pop Chart Lab can find just about anything to turn into an awesome print that we want to hang on the walls. Cool Material About the Author Patrick Mulligan and Ben Gibson created Pop Chart Lab in 2010 to chart pop culture touchstones and sell them as posters. The company has grown into a team of fifteen employees and continues to assemble, sift, cull, and arrange cultural data into meaningful works of art and information. Pop Chart Lab is located in Brooklyn.
