**From Brand: Brewers Publications : A Year of Beer: 260 Seasonal Homebrew Recipes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Year of Beer: 260 Seasonal Homebrew Recipes:

0 of 0 people found the following review helpful. Five Stars By Joseph W. Pyszkowski A+ 1 of 1 people found the following review helpful. Nice resource By svenster I bought it mostly for the brewing calendar. It's a nice guide for when to brew different styles. Most of the recipes come from the National Homebrew competitions. The book assumes you already know how to brew. Most recipes have just the basic info about mash temp, etc. There is an awesome mead

recipe - "After Dinner Dessert".0 of 0 people found the following review helpful. Wonderful collection of recipesBy  
PhilsnerTremendous number of reciipes for the entire year. A natural way to present them. Some are all grain and  
some are extract based.

Each chapter begins with a description of a beer style, with recipes for every level of brewer?from extract to all-grain.
