He seems to be enjoying it and is finding beers he would like to try as a new one is introduced daily. Each page explains the beer, the highlights and the brewery where it is made. The only thing that would make this calendar better would be color pictures of the bottle or the beer in a glass. 0 of 0 people found the following review helpful. Call me crazy, but I thought every day would ... By CeeBee Call me crazy, but I thought every day would have a beer on it. Nope. I got beer poems, beer songs, beer recipes, beer festivals. Maybe that was in the description, but who's got time for that. 0 of 0 people found the following review helpful. Buy it, good stuff. By Michelle Chicoine I buy one every year. We are beer lovers and it's fun to see what they put on it every day. Good research.

So much great beer for every season and every occasion. Cool down with Magic Hat's Pistil Dandelion Ale, which boasts distinctive herbal notes and refreshing tartness and astringency. Warm up with Chocolate Hazelnut Porter (not too sweet, and creamy as a latte). Plus, what to drink with spicy tacos (Vienna-Style lager), Hop, Skip, and Go Naked and other beer cocktail recipes, beer fundamentals, quotes, drinking games, and beer recommendations the whole year round.
