Bea Vo : Afternoon Tea with Bea Boxed Kit before purchasing it in order to gauge whether or not it would be worth my time, and all praised Afternoon Tea with Bea Boxed Kit:

3 of 3 people found the following review helpful. Same Content as Other Bea Vo Book. By Robert R. Note this is a small format book with attractive recipes, but not a voluminous selection of recipes. According to the page at the front with the publisher's information, this same book was published previously with a different cover/format as Tea With Bea: Recipes from Bea's of Bloomsbury. So buy one or the other, but not both. 7 of 7 people found the following review helpful. Duplicate recipes By Epiphyllum Very cute little book, but all the recipes are duplicates of the ones in _Tea with Bea_. I love _Tea with Bea_ and have bought copies for all my baking friends, but I didn't need another copy of the recipes. 1 of 1 people found the following review helpful. Dissatisfied Customer By Barbara J. Hainsworth This was an OK book, but I was very disappointed in both the dimensions (very small in size) the content (photos recipes). I'm sure the author is very successful, however, I have purchased much more substantial informative books at a lower cost. Having a rather vast collection of tea time publications, it would certainly not be one of my top recommendations to someone looking to purchase a helpful book regarding tea time treats!

It's time to host an afternoon tea party with the wow-factor. In this gorgeous kit, Bea Vo, author of Tea with Bea, shares her recipes for ideal tea-party treats. The kit includes a cute little cookbook featuring 28 recipes, as well as 12 beautiful cupcake wrappers, 12 cake toppers and 10 invitations so that you have everything you need to host a picture-perfect tea party for your friends and family.

About the Author Bea Vo is a chef and the owner of Bea's of Bloomsbury. Born in the Washington D.C. area, she first discovered her love of pastry at the age of seven when she managed to get flour on the ceiling. Upon graduating in Science and Technology at Cornell University, she immediately threw herself into cuisine. She trained at Le Cordon Bleu and opened Bea's of Bloomsbury in 2008, with branches in London's literary Bloomsbury, the City of London and Chelsea.
