This cookbook has some good recipesBy RustyI will admit that this cookbook has some fairly good recipes but as a chef in a restaurant I must say it's not all you need to know a wok cooking. They say a non stick carbon steel wok is just as good as any other but I prefer a hand hammered steel wok myself. They are however hard to find and a bit expensive. Thank you and enjoy your day.0 of 0 people found the following review helpful. no pictures without good direction.
