A great volume from a great associationBy Cajun GourmetThis is from the folks who have worked so long and hard to preserve America's pies and recipes as well as American's interest in pies. When pies can be purchased mass produced at most retail grocery outlets, few home cooks go to through the trouble to prepare pies, but I do. Today, I produced 8 pies, including pumpkin and Louisiana Puerto Rican Yam pies. I will be making an all natural (from "scratch" as are all my pies) lemon pie, which if you never had such an all natural lemon pie, you are missing a part of heaven! I met folks at the American Pie Council who love pies as I do. Ever since becoming a lifetime member, I have taken their championship recipes and tweaked them with improvements to make them even better. This is a great book and is indispensable for pie lovers and pie makers and bakers.1 of 1 people

Since 1995, amateur, commercial, and professional bakers have competed in the National Pie Championships to determine who makes the best pies in America. America's Best Harvest Pies is a collection of 70 delicious recipes that have won awards at the National Pie Championships. Organized by harvest crop—apple, pumpkin, raspberry, strawberry, peach, sweet potato, and more—the recipes in this book are sure to inspire a baking frenzy. Bakers will find a selection of unique recipes, such as Peanut Butter-n-Strawberry Explosion Pie and Sweet Tart Cherry Pie. But the classics are well-represented too, with plenty of two-crust, one-crust, and crumb-topped favorites. America's Best Harvest Pies is packed with color photographs of the pies you'll learn to make and love. As a special treat to give you a taste of what the championships are like, many of the photographs are of the actual pies entered in the competition. The recipes inside are clearly explained so that the expert and the future expert pie-maker can enjoy alike. Strawberry pies in summer and pumpkin pies in the fall—with this book you'll be serving your friends and family pie all year long!
