I'm gonna have some pie tonightBy b.rightWe had the pleasure of attending the National Pie Championship in Celebration, Florida, near Walt Disney World (something you really should check out if you are there visiting the Mouse when the pie festival is also going on, late April I think). The pies sounded so unique and mouthwatering when the judges announced the winners (like "Pecan Maple Streusel Pumpkin Pie" for example). So when I saw this book, containing recipes of some of the best from the National Pie Championship, I just had to buy it.I have tried some of the combinations in this cooking/baking book and I am absolutely enthralled by the wonderful and unique pie recipes. Internet searches will not replace this gem. This has taken my own pies to a new level and our family can't wait to be invited over to try the next new pie combination. This is a must buy if you like baking and enjoying deserts (meaning pies). Now I need to get started on my next pie....0 of 0 people found the following review helpful.
