No print link from the Kindle versionBy Florida KayakerCakes and Cookies is a Jupiter Kids book and all of the Jupiter Kids Kindle coloring books seem to the same. You get 14 very simple designs that you cannot color but are meant to be a preview of the real book. You also get a link to download the images from 12 other books. These are the same books that you get when you purchase a Kindle coloring book from Speedy Publishing.Fortunately the Jupiter Kids books do tend to always be free. However, once you have downloaded one book and access the download for the other 12 books, I see no reason to purchase any other Jupiter Kids book.1 of 1 people found the following review helpful. Art Books = Ads...SHOW Designs BEFORE We Buy #463...By classicsGGmaArt Books = Ads for the print versions of their coloring books. No download and no print for coloring. Can't even be certain the samples given are for this particular coloring book, as they're also used as samples

for other coloring books. What good are they to Kindle owners...None. Stock repeat images from Shutterstock/Istock that you may have if you've gotten any of the coffee and/or desserts/food coloring books. Not guarantee the samples we're shown will be in This coloring book...Speedy Publishing, which is also Jupiter Kids and Coloring Therapist, is known for giving us samples but not telling us which coloring books they are in. When we buy coloring books in stores we can look inside to see if we like the designs and check for any designs we already have. WHY Not Here On ?? Especially coloring books from the three authors above need to show us what they want us to buy. 0 of 0 people found the following review helpful. Loved the cover picture...By Lise Lotz- but the download was a disappointment. Not very pretty or inspiring drawings of cakes, so I'm not going to spend time coloring them.

These delicious-looking pastry just need some final touch of colors before they're ready to be served. Will you be the helpful little chef who can add the needed final touch? All you have to do is color the icing and the sprinkles, too! Treat coloring as a practice tool to achieve that grip and control needed in the correct placement of icing on top of your pastry. Practice today!
