before purchasing it in order to gauge whether or not it would be worth my time, and all praised American Orchardist:
or, A Practical Treatise on the Culture and Management of Apple and Other Fruit Trees, with Observations on the
Diseases to Which ... Juice and Currants :... (Cooking in America):

Created for the use of American fruit-growers, both recreational and professional, James Thacher's 1825 work is a
comprehensive source of information on the cultivation and usage of apples and other fruits.
