Being a baker and someone who used to go to the library and enjoy a wide variety of cookbooks to look through By rainedeere This is the 3rd book of a collection from Linda . Being a baker and someone who used to go to the library and enjoy a wide variety of cookbooks to look through, I have seen MANY. I can honestly say I have never seen a better one. The book is filled only with the TOP Award winning recipe's from the American Pie Council's National- yearly pie competition. The competition has been featured many times in the past years on the Food Network. To me the book gets 5 stars just for having recipes that have won top awards out of over 400 pies each year. Judged by culinary experienced professionals. But to add to the best in recipes ever to be found in a pie cookbook, the print is large, some are featured on a 2 page spread and included is a photo of the winning pie! You can see what your pie is to look like. This is a MUST have book for any baker, young cook, homemaker and simply anyone who cares to create an award winning dessert. You cannot go wrong getting all these recipes in one

book for the price, WOW!!! The recipes range from simple to complex, you are sure to find many to fit your skills and be able to progress into any ones that may seem harder to create. What a GREAT gift to give !3 of 3 people found the following review helpful. High Five for this Pie CookbookBy Susan BoyleI have been in the APC Pie Family now since 2005 and loved the journey. I have all Linda Hoskins books they are wonderful. I am proud and honored to be part of the APC Heritage. I recommend this cookbook to all bakers !!!5 of 7 people found the following review helpful. Not America's Best PiesBy KhmThis book is a waste of money. I bake and can and do make homemade pies, but not many cooks would really be interested in the pretentious pies featured in this book. They would take too much time to make, and most of the recipes are so loaded with multiple ingredients that the finished product loses touch with the main ingredient in the pie: i.e. white chocolate blackberry toffee pie; or try, basil key lime pie with berry coulis. Too much. Save your money.

From the unusual—deep-dish deluxe banana split pie—to the traditional, such as apple pie, every recipe has been reviewed by judges and determined to be an award-winning pie. These selections are considered some of the best of the best from across the country. When you start making these pies at home, you'll see why!America's Best Pies 2016-2017 is packed with color photographs of the pies you'll learn to make and love. As a special treat to give you a taste of what the championships are like, many of the photographs are of the actual pies entered in the competition.
