**David Bardallis : Ann Arbor Beer:: A Hoppy History of Tree Town Brewing (American Palate)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ann Arbor Beer:: A Hoppy History of Tree Town Brewing (American Palate):

0 of 0 people found the following review helpful. Five StarsBy joan fischerExcellent!1 of 2 people found the following review helpful. Great Beer Book for A Great Beer CityBy ErikAs a Michigander and a craft beer nut, I've

always known what a great city for beer Ann Arbor is. I've heard passing stories about the history of beer there, but it is such a pleasure to have this funny and informative account of it, written by someone who is obviously has a passion for the subject and the city. I can't believe anyone who loves good beer wouldn't want to make Ann Arbor a road trip destination, certainly to drink the beer from the many breweries and good beer bars, but also for the chance to possibly meet some of this books colorful characters. 0 of 1 people found the following review helpful. Five Lagers for This Book! By Elizabeth J. Tarry-crowe When I started reading Dave's book "Ann Arbor Beer: A Hoppy History of Tree Town Brewing" I had a similar experience as I did when reading "Three and Out" by John U. Bacon. Dave's style of writing is addictive, and while I do admit a fondness for his subject, I felt that even if I only possessed a passing interest in anything relative to Ann Arbor's history or the history of craft beer in a mid western town, I would be drawn in. I read the book in 2 sittings, smiling a lot, laughing out loud at parts (helps that I know some of these "characters" but still hellip;,:) and would highly recommend it to anyone looking for an enjoyable reading experience about the "hot topic" of "craft beer" but also to learn more about its place in the history of a Major College Town. It moves smoothly from the pre-prohibition through the redemption of America thanks to the 21st Amendment and into the craft beer revolution in hippie town (yeah, I can say that) and into the current state of affairs in Tree Town for we brewery owners and our "up yours" to the industrial macros. Yes, it is non-fiction but thanks to the talent of the author, forget the dry toast, and enjoy this book like the fine, rich, hand crafted brew that it is. Well done David! An official 5-Lager Review!

Ann Arbor has always been a beer-loving town. From the establishment of the first commercial brewery in 1838 through a century of German immigration down to today's local craft brew boom, the amber liquid looms large in Tree Town's quirky past and present. Find out how beer helped a former University of Michigan professor win a Nobel Prize. Discover the Ann Arbor doctor whose nationally bestselling home remedy book featured ale recipes. Learn which Michigan football legend pounded brewskis as part of his training regimen. Covering the exploits of famous poets, performers and prohibitionists, local author David Bardallis pops the cap off the big beer history of this little college town and leads readers to the best beer you can drink" in Ann Arbor today."

About the Author David Bardallis writes regular beer columns for AnnArbor.com and Great Lakes Brewing News and is a frequent contributor to Michigan Beer Guide. A lifelong Michigander, longtime craft beer drinker and occasional homebrewer, he lives in Ann Arbor, where he works as a freelance writer and editor.
