Lois L. Sumption, Marguerite L. Ashbrook : Around-The-World Cooky Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Around-The-World Cooky Book:

A trip to cookie heaven!By little white glovesI've been baking cookies for almost 50 years and this reprint from 1948 has recipes that have disappeared from today's cookie collections -- bet your favorite childhood cookie is in here! It is a bit annoying to follow the recipes because the ingredients are not arranged in order of use, you will have to keep going back to reread the recipe. But this collection is suitable for the beginner or the experienced baker. For anyone who wants to evoke precious memories of sitting on grandma's lap while eating a warm from the oven cookie that was baked with love.0 of 0 people found the following review helpful. My favorite cookie cook bookBy DianaMy favorite cookie cook book. I bought this when it was new and lost my copy about 10 years ago. I am so happy to find it again.
