Susan Gold Purdy : As Easy As Pie before purchasing it in order to gage whether or not it would be worth my time, and all praised As Easy As Pie:

4 of 4 people found the following review helpful. Zoweee!!! Pie!By NikThis is the ultimate pie book. It has everything from pies to puff pastries and so much more in between. If you can obtain this book, do so. Purdy TEACHES you how to make the best pie crust, the best filling and more. (Something these new books are lacking). It is filled with a ton of info. which might turn some people off, but I love to learn. Since I am no cook or pastry chef, I love books that teach me what to do and tell me what is taken place in the process. I'm such a nerd :) ... I have her original cake book and am totally happy with it. I have made some very good and more importantly, edible, cakes from it, while learning.Susan G. Purdy takes you on a wonderful journey from scratch to wonderfully edible dessrts. Enjoy!2 of 2 people found the following review helpful. Comprehensive piebook!By EricaIf you can get one, I highly recommend it! This book covers just about every single type of pie that you would ever want to make. The instructions are detailed and easy to follow, and the ingredients are easy to find- nothing out of the ordinary. A good reference cookbook!0 of 0 people found the following review helpful. ... by my sister-in-law and I think it is a great book so I was purchasing it for a friend ...By Tabitha P. SongThis book was written by my sister-in-law and I think it is a great book so I was purchasing it for a friend who is interested in learning about baking and pies in particular.
