**BitchBeer.org** : Austin Beer:: Capital City History on Tap (American Palate) before purchasing it in order to gage whether or not it would be worth my time, and all praised Austin Beer:: Capital City History on Tap (American Palate):

0 of 0 people found the following review helpful. Probably my favorite in the series so farBy ScarlettI'm not from Austin, or even the South West, but I am writing another guide in this series, and so I ordered some existing ones to help me out. The Austin one has been the most helpful, and the least dry, it's so well put together and fun to read. The

history is thorough, and they did a good job capturing the current ever-changing scene. It's worth it for the color photo section, and if history isn't your thing, don't be fooled by the name, the whole second half is modern day places and pubs in Austin that will keep your whistle wet. 0 of 0 people found the following review helpful. Four Stars By Travis Sturges Great primer on the beginnings of Austin's storied suds. 2 of 2 people found the following review helpful. Fun read By Brown Boy As someone who loves Austin it was great to read about the history of brewing and beer here. The explosion the last few years of microbreweries (and a few brewpubs) is well documented and described. A fun read for anyone that drinks beer in Austin and these authors know their stuff. Highly recommended and includes many great pictures.

Austin might be known for its live music, but its beer scene is just as vibrant and historic. As early as 1860, German immigrant Johann Schneider started brewing beer out of a saloon on Congress Avenue, later crafting innovative brew vaults, the first of their kind in the city. Proving that Austin taste buds were thirsty for something more dynamic than a Lonestar, the end of the twentieth century and beginning of the twenty-first saw a huge boom in craft beer production by native Austinites and transplants alike, creating a culture of local beer advocates, homebrewing enthusiasts and innovators that could only come out of Austin. Join the ladies behind hilarious and informative beer blog [BitchBeer.org](http://BitchBeer.org) as they explore Austin beer history, developments and culture--complete with read-along drinking games and local beer pairings.

About the Author [Bitch Beer](http://BitchBeer.org) (Caroline Wallace, Sarah Wood, Wendy Cawthon, Shaun Martin, Ari Auber, Katherine McCullough and Holly Aker) is an Austin beer-centric blog in the Austin Food Blogger Alliance. It has been named a Top 10 Austin Food Blog by the Austin Chronicle and featured in the Austin Post, Scrumptious Chef and Porch Drinking among others. Debbie Cerda is the founder of the Austin Women's Beer League, a member of the Austin Zealots, a member of the American Homebrewers Association Governing Committee and past director of Black Star Co-Op Brewpub.
