This collection of recipes from the first year of *Bake from Scratch* magazine features endless inspiration for home bakers. From the essential brioche and rye bread to a classic 1-2-3-4 cake with seasonal flavor variations and easy French *gacirc;teaux*, this hard-cover, high-quality cookbook will be the go-to resource for those looking to bake artisan goods at home.

From the Author: What are some of your favorite recipes from *Bake from Scratch*? "I love the *Gacirc;teau Basque* and the *Beaumes-De-Venise Cake with Apricots*. But the *Gacirc;teau Basque* has got to be my all time favorite that Irsquo;ve baked at home. Itsquo;s the simplicity?simplicity not in technique but in itsquo;s flavor, presentation, and appearance. I love the custardy center and the cakey crust on top and bottom. I love the whole experience of it." -Brian Hart Hoffman
