From Brand: Hearst : Bake It! Good Housekeeping Favorite Recipes: Cakes, Cookies, Bars, Pies, and More (Favorite Good Housekeeping Recipes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bake It! Good Housekeeping Favorite Recipes: Cakes, Cookies, Bars, Pies, and More (Favorite Good Housekeeping Recipes):

1 of 1 people found the following review helpful. Pretty and practicalBy Ama T. GeorgakiThe book is spiral bound and contains many pictures, although a few more would be welcome. Very useful for someone who is a baking fiend. Includes many classic recipes but a lot of recipes you'll probably never use.

Good Housekeeping and baking go together like cookies and milk: the sales prove it. This new collection of 150 delicious desserts will become the home baker's favorite—and her lucky family's too! With 50,000 copies of Good Housekeeping Baking sold, it's clear that the editors of Good Housekeeping know how to bake up a successful cookbook. They're sure to do it again with Bake It! Favorite Good Housekeeping Recipes, a tasty compilation of 150 of the magazine's best desserts. Attractively sized in the Good Housekeeping Blend It! format, this all-in-color hardcover has a concealed spiral that lies flat so the baker can easily read the instructions as she bakes. The list of luscious recipes—never before published in book form—would make anyone's mouth water. It includes brownies (from classic to hazelnut); an elegant French Tarte Tatin; Country Peach and Deep-Dish Blueberry Pies; Spice Cookies; Gingerbread Cupcakes; plus frostings, pastries, crusts, and more. • National Publicity • Advertising in Good Housekeeping Magazine
