I was concerned that because of it's size this book wouldn't be of much help to me but boy was I wrong. There's so many beautiful cupcake designs that you can make. And they even put in tutorials in this book. I am so glad that I purchased this book.0 of 0 people found the following review helpful. Great Book!By CoCoShellPerfect for anyone who loves to bake! Lots of good tips and beautiful pics! I even bought this as gifts for some of my friends! :)0 of 0 people found the following review helpful. excellent bookBy shihtzunic book to finish the series, another excellent recipes to follow and share for a cupcake party, share your knowledge and have fun with the kids in making these cupcakes.

This is an indulgent, beautifully photographed, yet totally practical celebration of the world of cupcakes!It features 100 ideas for baking, decorating, displaying, serving and consuming cupcakes - the small cake with BIG potential.The recipes include a range of yummy sponges, icings and frostings, while ideas for embellishment and display show that the sky's the limit.It includes suggestions for incorporating cupcakes into every occasion, from chic weddings and cute baby showers to festive Christmas parties and sassy girls' nights in.It is written by two experts in the world of cupcakes who know just how cupcake connoisseurs want their creations to look and taste.

About the AuthorJoan and Graham Belgrove launched The Little Cupcake Company in 2006 as a response to the growing demand for unique cupcakes that could be used to celebrate all kinds of occasions, as well as simply enjoyed for their own sake.
