Other than that, the book has some tasty concoctions.0 of 0 people found the following review helpful. Five StarsBy Rickfun item0 of 1 people found the following review helpful. Basically an idea bookBy Swiss32Very disappointed in the book. The recipes are just your basic vanilla, chocolate and carrot cakes with a small selection of everyday buttercreams. The ideas in the book are not very exciting and poorly executed (faces drawn on doves look like it's done by a 4-year-old, crooked writing, dried out broken fondant etc.). I usually love the Bake Me I'm Yours series but this was a huge disappointment.
